

End of the Year Recital 2019 Flowers & Teddy Bear Pre-Order Form

This time of year can be super busy! Did you ever forget to purchase and bring flowers or a special gift for your dancer on Recital Day?? Problem solved! ABDA will have flower bouquets AND special ABDA recital teddy bears (these last forever, unlike flowers) for purchase. Since we do not know how many teddy bears to order or how many flowers to buy, we are asking everyone to PRE-ORDER the items they would like to have ready for them on Recital Day. We may have extra, but once they sell out, we can NOT get anymore. Orders cannot be processed without payment.

Please submit the order form below to the studio along with your payment by Saturday, April 27th.
